# Written Homework Problems §5.3
## 16 problems for 32 points

§5.3 #149,151,153,155,159,161,171,177,179,180,183,185,187,189,191,199*

*For each part of this problem, all you need to do is **set up an integral** that answers each part. Then, use a computational tool to actually evaluate the integral.
